2. Section 177 of the Companies Act, 2013 (“the Act”) and Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014, inter alia, provides for establishment of a mechanism called 'Vigil Mechanism' for Directors and Employees to report their genuine concerns or grievances, such as instances of unethical behavior, actual or suspected, fraud or violation of the code for Directors and Employees. The Act further requires every listed Company, to establish such vigil mechanism.
3. The objective of this policy is to encourage employees to bring ethical and legal violations they are aware of to an internal authority so that action can be taken immediately to resolve the problem. This policy provides a framework to promote responsible and secure whistle blowing.
4. A vigil mechanism not only helps to detect fraud in organizations, but is also used as a corporate governance tool, which prevents and deters fraudulent activity.

The policy neither releases employees from their duty of confidentiality in the course of their work, nor is it a route for taking up a grievance about a personal situation or vendetta.
